CURRENT PROJECTS

With Professor Michelle Brown of Ohio University, I am working on Criminology Goes to the Movies, a book examining intersections among films and criminological theories (New York University Press, forthcoming)

With Paul Rock of the London School of Economics, I co-edit a new series of books, the Compact Criminology Series, published by Sage UK. The first volumes appeared in 2010.

In addition to my teaching at Northeastern University, I have been assigned responsibility for mentoring the junior faculty.
